1. Take it with you and picnic on the side of the river as you paddle down. Brown bag is the best route.

Picnic area reservations are for groups only. If an area is not reserved, it is first come, first serve.

See Catering list for a list of local caterers or bring your own.

Reservations are required for the Arcadia and Gardner picnic areas. On busy weekends, a reservation of Oak Hill will be needed. Picnic areas in Oak Hill fill up quick with campers on busy weekends.

There is no charge for picnicking at Canoe Outpost-Peace if you are paddling with us. If there are folks who want to join you at Arcadia or Gardner that don't want to paddle, add \$10 per person plus tax to the paddle trips. Two cooks are allowed at no charge.

Only caterers are allowed to drive into Oak Hill and they are escorted by staff. Only two people maximum are allowed to drive in.

If you have others with their own canoes/kayaks but don't want to use the Outpost shuttle services, they cannot join you in Gardner or Oak Hill. They could join you in Arcadia for \$10.00 per person plus tax after padding to the public boat ramp and retrieving their vehicles. They cannot dock at Arcadia unless pre-arranged and we transported them.

Folks in motorboats cannot join you on any Canoe Outpost-Peace River property.
